

PRESIDENT'S

COMMISSION ON WHITE HOUSE FELLOWSHIPS

THE WHITE HOUSE

*Requests*

March 20, 1978

Dear Admiral Turner:

The White House Fellows, in addition to their full-time job assignment with a cabinet-level officer, also engage in an intensive educational program. During their educational sessions the Fellows meet as a group with high-level government officials for off-the-record discussions with questions and answers. This vital exchange of ideas and experiences in their agencies adds a significant dimension to their educational program.

We shall find it most rewarding if you can meet with the Fellows sometime in May or June. We are convinced that you have a substantial contribution to make to their educational program. The usual format opens with comments made by the guest and then the meeting is opened for questions and a free exchange of ideas and views. It would be helpful if you would discuss the role of the C.I.A. in America today. A luncheon or dinner meeting hosted by the Fellows is often most useful to avoid conflicts with the Fellows' work assignments but a session at another hour can be arranged.

For your information, I am enclosing our brochure, describing the Fellowship and including the Fellows' biographies and a list of their assignments.

I hope it will be possible for you to meet with the 1977-78 White House Fellows, and will look forward to hearing from you. Our telephone number is (202) 653-6263; our ZIP code is 20415.

Sincerely,

*Olga M. Pierre*
